EXCALIBUR

Kimball High School
Dallas, Texas
Volume Five

Life's a pudding of plums,
Care's a canker that benumbs,
Wherefore waste our elocution
On impossible solution?
Life's a pleasant institution,
Let us take it as it comes!

EXCALIBUR STAFF

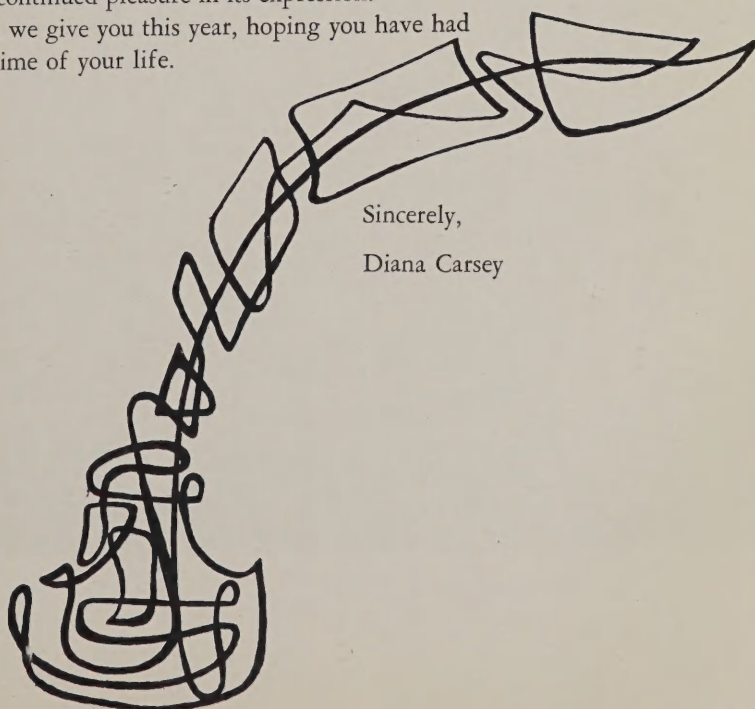

Diana Carsey, *Editor-in-Chief*

An anniversary
Is marked by Kimball's fifth year!
A paper anniversary
Celebrated in all the pages of Excalibur.
In this book are ideas and people.
The ideas and the people are you.
We of the Staff endeavored to prepare
A memory book of a marvelous year.
With this book goes the Editor's hope that you
Will find amusement in its content
And continued pleasure in its expression.
Thus, we give you this year, hoping you have had
The time of your life.

Sincerely,

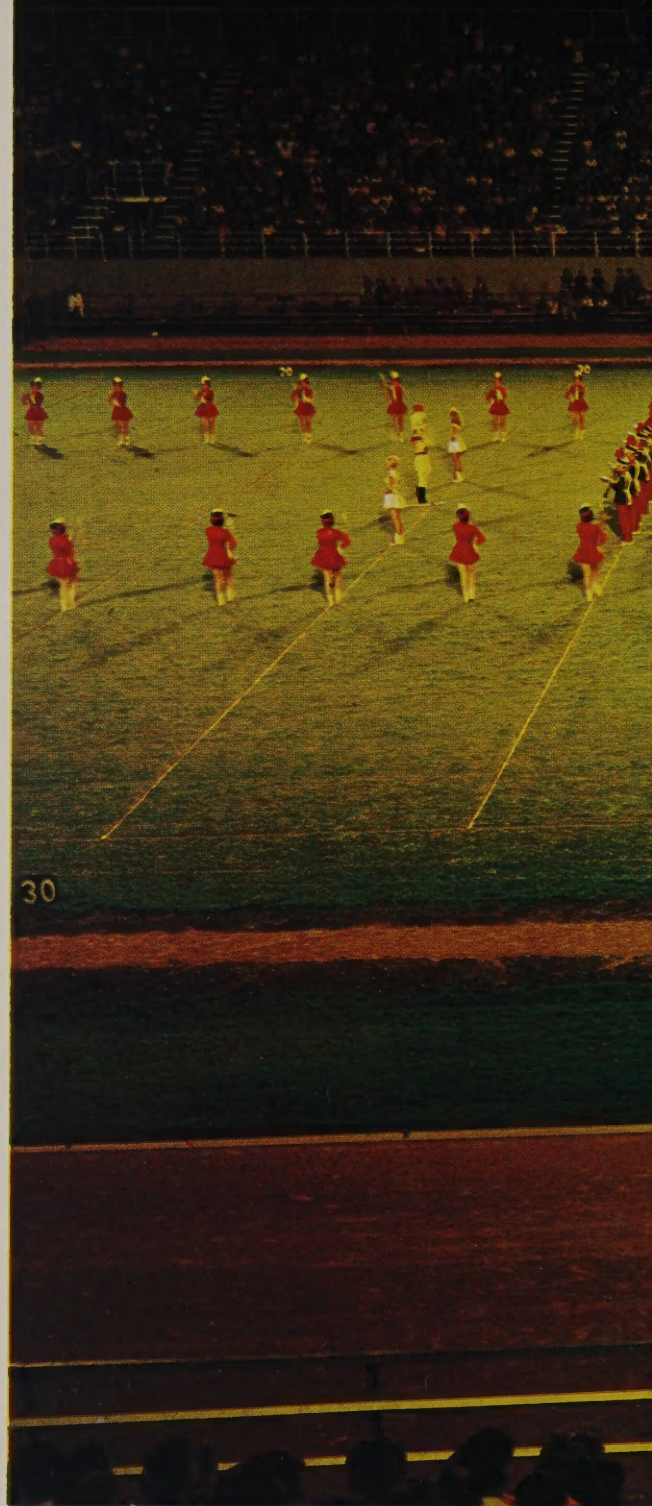

Diana Carsey

DEDICATION

Mrs. Helen Frizzel

For her unlimited loyalty and devotion
To the growing progress of Kimball;
In appreciation
For her understanding and love
Expressed to all the students,
As well as to the faculty,
The staff dedicates
The 1963 EXCALIBUR to Mrs. Helen Frizzel.

EDUCATION IS THE BACKBONE OF DEMOCRACY

Administration and Faculty

And still they gazed, and still the
wonder grew
That one small head should carry all
he knew.

Oliver Goldsmith

Board of Education

FROM LEFT: Mr. Lee A. McShan, Mr. Donald M. Bruton, Mr. J. Willard Gragg, Mr. John Plath Green, Mrs. Tracy H. Rutherford, Dr. W. T. White, Mr. R. B. Gilmore, Mrs. Vernon D. Ingram, Mr. Loyd G. Shelby, Mr. Robert S. Folsom.

MEMBERS OF THE BOARD

Mrs. Tracy H. Rutherford is President of the Board of Education. She is the first woman member to head the group, and this is her seventeenth year of service. Mrs. Rutherford is a business woman, the former president of Rutherford's Business College.

In 1950, Mrs. Vernon D. Ingram began her duties as a School Board member, after holding the presidency of both elementary and high school Parent-Teacher organizations. She was also a member of the Dallas City Council of the P.T.A. Her committee positions have been Lunchroom, Supplies, and Welfare.

Mr. R. B. Gilmore is Vice-President of the Board. He has been a member of the Building Committee and serves on the Athletic Committee. His occupation is that of Consulting Petroleum Engineer and Geologist.

Mr. Robert S. Folsom is in the second year of membership on the School Board. He is Chairman of the Building Committee, and is an attorney by profession.

Serving as a Board member for the first year is Mr.

Lee A. McShan, Jr. He is on the Athletic and the Supplies Committees and represents the Bryan Adams district. He is a Dallas florist.

Mr. J. Willard Gragg also is a new member of the Board of Education. North Oak Cliff is his district, and he is on the Supplies and the Welfare Committees. His profession is that of law.

Mr. Donald M. Bruton represents the South Dallas district. He has been a member four years, now serving as Chairman of Supplies. Formerly he was on the Lunchroom and the Tax Committees. His occupation is that of automobile agency head.

Mr. John Plath Green has served two years on the School Board, representing Place Two. He is Chairman of the Sites Committee. He is a lawyer.

A third member whose service began last year is Mr. Loyd G. Shelby. He is in the Kimball district and is a builder and realtor of the area. He serves on the Building and the Welfare Committees.

Administrators

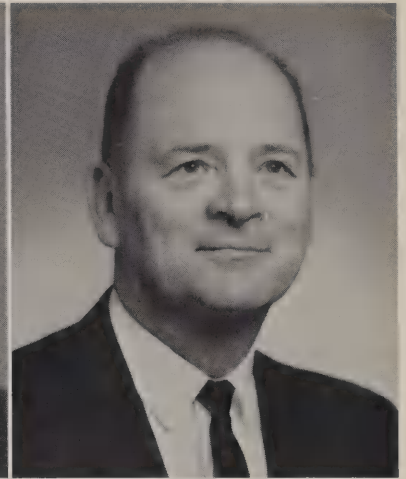

Men dedicated to meeting the educational needs of a vast community and of individual students comprise the administrative staff of the Dallas Public Schools. They are the leaders in safeguarding democracy through the training of future citizens.

Mr. W. P. Durrett

PRINCIPAL

As Kimball ends its fifth year, Mr. W. P. Durrett records his fifth year of leadership and service to the school. Under his capable direction Kimball has moved to an eminent place among high schools of Dallas.

We wish to thank him for all he has done and wish him continued success in "Seeking the Best."

Miss Dora Flack

DEAN

M.A., Texas University

As the Attendance Dean of Kimball High, Miss Flack has the tireless job of establishing the whereabouts of each of the 1900 students. She and her staff are largely responsible for the prevention of chaos at the beginning of the school year. The efficiency with which her office operates testifies to her ability.

Mr. Earl Killough

ASSISTANT PRINCIPAL

M.A., Southern Methodist University

In addition to his duties as disciplinarian, Mr. Killough serves the school in other areas. He is a sponsor for the Student Council and "keeper of keys." Those who are acquainted with Mr. Killough on any basis other than professional know him to be a sincere friend of the students and to be dedicated to the welfare of Kimball.

Counseling Guides Our Future

MISS RUDA V. P'POOL
M.A., Southern Methodist University

Guidance programs follow many channels under the leadership of Miss Ruda V. P'Pool and of Mrs. Carolyn Harvley. Problems of subject planning, of scholarships, and of college choices are efficiently ironed out in the busy Counseling offices. Assistance is provided by Mrs Juanita Wiler, Clerk; and Mrs. Cheryl Renick with Mrs. Julia Ahlfinger, Co-operating Teachers.

Office Gears Run Smoothly

As co-ordinators in the business of running a school, the Principal's secretary and her assistant perform their duties with skill and dispatch. Countless details crowd their day, and their efficiency makes the "machinery" operate smoothly. Attendance clerks keep the wheels rolling with admit cards and with records for each day.

and Inspires Creative Effort

Miss Starr directs the work of her English 5 class.

Classes in English enrich the students' background with the fundamentals of grammar, composition, and literature. Convincing pupils that the skillful use of language is achieved through study and practice and improving their ability to think and to communicate their ideas is the major concern of the English Department.

The bulletin board engages the interest of Miss Shillingburg's Class.

Homemaking Teaches Valuable Skills

Homemaking courses provide many opportunities for girls to learn about nutrition, child care, home improvement, good grooming, selection of clothes, and social graces. Training secured in home and family living fulfills the highest objectives. Pride in making homes is gained in such study and contributes to a truly great art.

Mrs. McKnight gives pointers in color and fabric study.

Choice of suitable styles is important to Mrs. Blackburn's sewing class.

Mr. Cowand advises boys in the metal shop class.

Industrial Arts Apply Practical Training

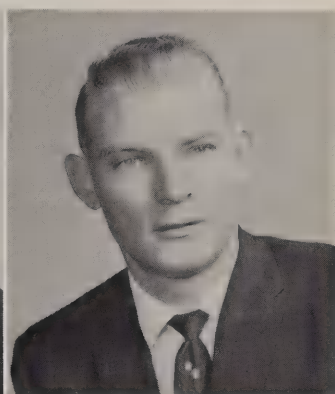

Industrial Arts courses develop talent and skill and lead to useful occupations and hobbies. Wood shop and metal shop train boys in fundamentals of handling tools and produce artistic objects. Basic principles of electrical wiring, etching, and repair provide training for future jobs and usefulness in the home. The study of precision drawing in mechanical drawing and in architectural design promote interest in many professions and trades.

WORLD Realm of

Texas, America, England and the World make the stuff of history for modern students. Social studies would not be complete without Civics and Economics. Knowledge of the American heritage of constitutional government is thus fostered, as well as the science of world affairs.

American history comes alive in Mr. Price's class.

Mr. Barnett probes the "Congressional Record" for items of interest.

Foreign Languages Cultivate Interests in Foreign Lands

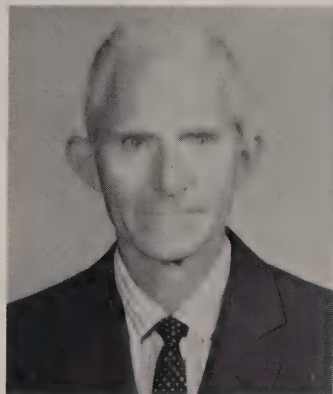

Good will, better understanding, and cultural attainments are products of foreign language study. With Latin, Spanish, French, and German courses, the interest in other lands and people awakens the student's cultural appreciation and enlarges his horizon with respect to a world brought close by modern transportation marvels.

Science Offers Frontiers Unlimited

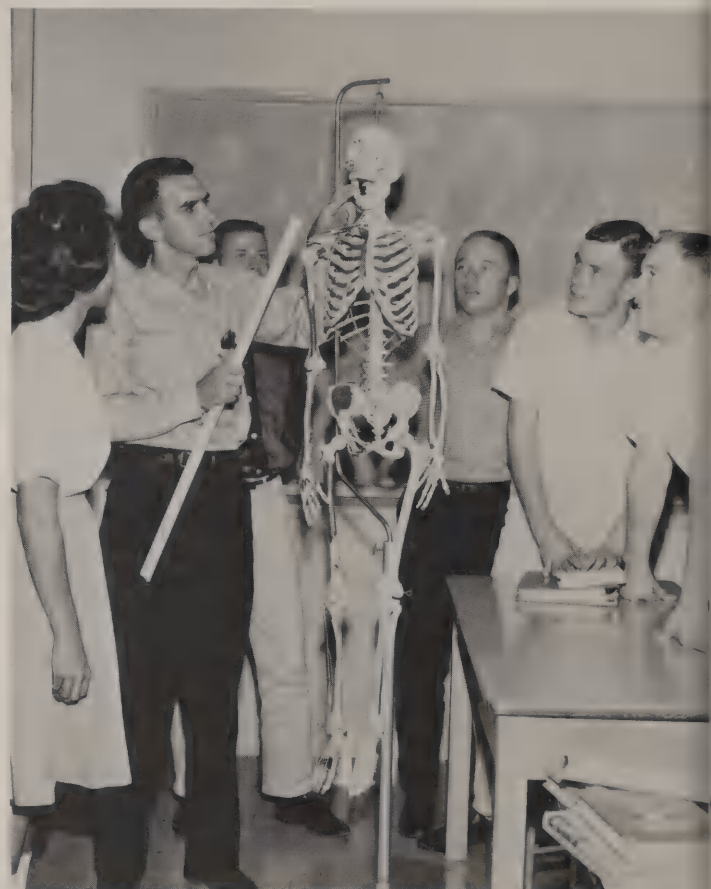

Through the use of modern teaching devices and well-equipped laboratories, Kimball's science students are keeping pace. In biology is developed an understanding of living organisms. Laws and principles governing inanimate objects are emphasized in physics. Chemistry provides knowledge of the composition and properties of all substances and the changes they undergo. Science has a continuing effect on everyone's life as new developments, new discoveries and new inventions make life easier.

Knowledge Grows
in the Library
and in Study Halls

Libraries have been called "lifelong universities." Hence, the high school library furnishes a means of increasing knowledge, a chance open to anyone who wishes to add to his supply of information. Enjoyment of reading, plus the use of source materials, makes the library a center of interest.

Study halls, too, function in connection with the school program, giving pupils time to prepare assignments and to assimilate completely the topics they are to remember.

Physical Education Strengthens Youth

With physical fitness as the keynote, gym classes give an opportunity for each student to take part in exercises and games. Intramural sports are also part of the program as groups within classes match athletic ability in contests. Driver education and Behind-the-Wheel training aid the young drivers to become safe drivers as they prepare for driving licenses.

Business Education Offers

Key to Success

Business training proves attractive to many boys and girls who wish to enter careers afforded by courses in typing, shorthand, and bookkeeping. Mastery of the typewriter aids in preparation of written assignments in high school and college. The practical experience gained in Distributive Education carries out the doctrine, "Earn while you learn."

Mr. Jay Todes shows basic lessons of job applications in his Distributive Education classes.

Mrs. Womble's typists follow timely suggestions.

Teachers

Fun for everyone takes the stage when pedagogical dignity relaxes and the students learn about school spirit. Education is not limited to the classroom as the Kimball faculty go into action.

Student Council

Around which organization do school affairs rightfully revolve? The Student Council. What is the most prominent student representative group? Right. The Student Council. Aims of the sponsors and members are high to uphold courtesy, honesty, and justice. Time and effort given by the Student Council to the welfare of Kimball are commendable.

THE KNIGHT LIFE

News is the business of the "Knight Life" Staff, composed of Mrs. Lovegren's Journalism One class. Thirty-one journalists, therefore, do the leg work, write, take pictures, make up pages, and otherwise cover their beats to present the "pulse" of Kimball life.

NATIONAL THESPIANS

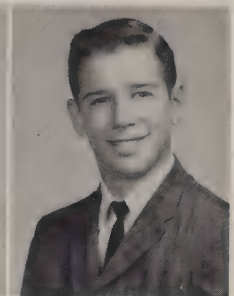

To provide schools with advisory service and with materials for speech and dramatic production and to encourage and advance dramatic arts in high school are the aims of the National Thespian Society. Over two thousand schools around the country belong to the Society, which was established in 1929, at Fairmount State College in West Virginia.

Troubadears 1962-63

Highlight of its fifth year, the Kimball drill team's performance at the Big D Half-Time Show won the award of Superior, the highest possible rating. The theme of the presentation at the show in December last year was "Percussion and Precision." The Troubadears, along with the Knight Band, participated in half-time activities at football games, marched in parades, and otherwise entertained Kimball students and fans. For the Fire Prevention Parade, the drill team won first place. Girls aspiring to be Troubadears meet high standards of scholarship, character, and rhythmic ability.

In the Kimball tradition, "We always seek the best," our Knight Band, directed by Mr. Grady Barnes, has for the third successive year achieved a position of merit among Dallas bands. In 1959 the band and Troubadears were awarded first place among the bands at "Big D Half-Time Show." In 1960 they achieved a third place in this contest. In 1961 the band was presented a third trophy signifying a superior rating in marching, showmanship, music, and precision. Last fall, first place in the Oak Cliff Fire Prevention Parade went to the band. Representative of Kimball's school spirit, the band lends color and musical sounds to pep rallies, games, and concerts.

Morning Meditations

Students at Kimball meet on Tuesday and Thursday mornings before school to observe a devotional period. Sponsored by Mrs. Madge P. Dillon, the group is led by a committee which arranges the programs. Song leaders and inspirational speakers take part in preparing for the day's activities. All students and teachers are welcome, and those who attend attest to the value of morning meditation. Mr. Maran Doggett also sponsors the programs.

Kimball's Safety Club, sponsored by Mr. David Clark, functions under the direction of the Texas Department of Public Safety. Four student representatives attend city-wide meetings, and a group of twelve go to S.M.U. annually for Traffic Safety Commission meetings. The Citizens Traffic Commission also aids the club. Safety Week in the spring climaxes the work of the group. Slogans, broadcasts, films, and posters focus attention on safety. A special assembly is held to augment the efforts of the public-spirited club in making everyone safety-conscious.

To cultivate citizenship and to train in leadership are the purposes of the National Defense Cadet Corps. Achieving these aims requires much hard work on the part of all Corps members and on the part of the P.M.S., Major White. The Corps is in active competition with all other NDCC schools in the city during the entire year. Besides the annual Federal Inspection held in the spring, Corps activities include competition by the Drill Team and the Rifle Team.

Highlight of the year is the Military Ball held between semesters. On this colorful occasion, a Military Queen is chosen from the seven unit-sweethearts.

Three Kimball cadets have been honored as appointees to the Air Force Academy and to West Point, during the five-year history of the Corps.

RESUME

Opening the season with a victory over Adamson, 15-7, the Knights slowed in their second and third tries, bowing to Bryan Adams and to Thomas Jefferson, losing to the latter by one point. Then the tide turned, and a spirited Kimball team won seven straight victories. Thus the record stood with 8 wins and 2 losses. The Knights held their opponents scoreless in the last two games, tumbling Hillcrest 16-0, and then in a stunning season closing they beat City Champs W. W. Samuell with a whopping 21-0 score.

Fumbles plagued the backfield in Kimball's season opener against the Adamson Leopards, and only in the second half did the Knights regain the luster of last year's team. A fumble plus a costly 15-yard penalty enabled the Leopards to score in the first quarter. In the second period the Knight defense tightened, and the offense moved to the Leopard 8-yard line. There a fumble killed the chance to score. After the half, Kimball came back, threatening to score and keeping Adamson bottled up inside its own 20-yard line. A flashy 33-yard punt return by Chuck Harding gained the first Knight score. Six plays later Mike Ramsey drove over for the TD, and Dickie Smith shot over guard for two points. With 18 seconds remaining, Smith circled on a reverse for an 8-yard scoring run. Jimmy Duffey kicked the extra point; Smith was the leading rusher with 95 yards in 18 attempts.

KNIGHTS BOW TO BRYAN ADAMS, 15-6

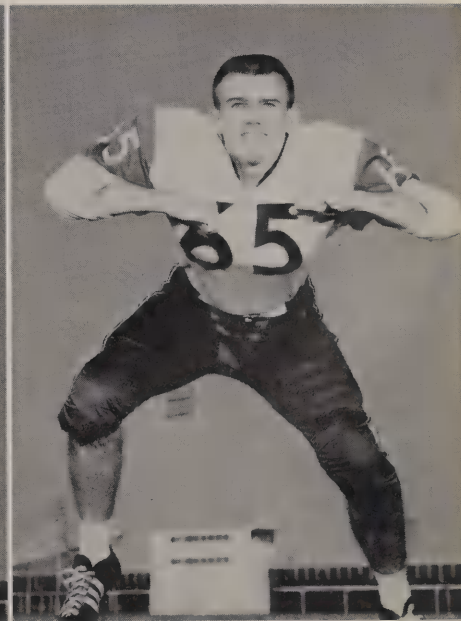

In a hard fought battle between the Knights and the Bryan Adams Cougars, Kimball's momentary flashes of greatness were obscured in a gloom of fumbles and dropped passes. Adams scored twice, before the Knights ever warmed up. The first Cougar score resulted from a 55-yard drive, and the second from a blocked punt that gave them the ball on Kimball's 30-yard line. Fighting to the Adams' 22, the Knights made their lone touchdown. On third down Duffey pitched out to Irvin running around left end. Suddenly Irvin stopped and fired the ball to Tommy Drewes, who was streaking for the end zone. A Knight fumble lost on Bryan Adams' six-yard line halted the only threat to the opposition's victory.

REBELS EDGE KIMBALL, 7-6

Thanks to the power-running of Knight fullback Mike Ramsey, the Rebels of Thomas Jefferson barely squeaked by Kimball, 7-6, in the third game of the '62 season. Aiding Ramsey in putting the Rebels on their guard was the Duffey-Wilson combination. During the first three quarters, it was a Ramsey-Reeves battle as the teams matched fullbacks. Repeatedly, Number 33 smashed into the line or flashed around end for hard yardage, gaining 51 yards in 13 tries. Although the Knights controlled the ball, they were unable to score until midway the fourth period. Duffey's passing to Wilson produced the Kimball tally. The conversion failed. TJ's tally came as Don Wood sneaked over from the three, and Sandy Kaufman converted for the hard-won margin of victory.

KNIGHT DEFENSE DOWNS GOPHERS, 7-6

Two "stonewall" defensive teams met in the clash between Kimball and the Grand Prairie Gophers, and the Knights furnished a surprise for their highly-rated foe. Although the Gophers surpassed the total yards passing and running gained by the Knights, they came up with the short end on the scoreboard. Mario Hayes covered a blocked punt in the end zone to set in motion the winning margin. Kimball lined up in place-kick formation. Duffey took a bad snap from center but managed to drop kick for the point. Grand Prairie's score came when they stumbled to the Knight 13 on a pass-and-fumble play. Billy Bob Stewart, Gopher quarterback, carried around right end for the tally. Kimball retained the lead by stopping the try for extra point just short of the goal. The whole Knight defense was outstanding; particular stars were Christopher, Paris, and Anderson.

KIMBALL NIPS BISONS, 14-7

Sunset's Bisons found themselves short on the scoreboard too late to come back in the Knights' fourth 6-AAAA contest. Ramsey rammed his 183 pounds against the Bison line 19 times, and he and Duffey kept the Knights on the move. Their teamwork was good for 67 yards in seven plays to set up Kimball's first touchdown. Dickie Smith took the touchdown pass from Duffey who then kicked the extra point. At the kick-off in the second half, Sunset began a 63-yard drive ending in a score from the one and resulting in a 7-7 tie. In the fourth quarter, Duffey's pass connected with Wilson, and Duffey's conversion ended the game in the Knights' favor, 14-7.

KNIGHTS SLASH SOC, 14-6

In a repeat performance, Kimball's Knights slashed the Golden Bears of South Oak Cliff, gaining an eight-point victory. However, to achieve this win, the rugged Knight defensive unit had to work double-time. The offense struck quickly, scoring twice in the first eight minutes. The first touchdown climaxed a 62-yard drive that included a spectacular pass for 21 yards from Duffey to Wilson. The stop came at the Bear ten. Four plays later Duffey scored from the one. Two minutes later, Smith returned a SOC punt 72 yards down the sidelines. Duffey was the conversion artist. Despite four fumbles in the second half, the powerful defense came to the rescue, four times stopping the Bears on fourth down. In the closing seconds, the Knights drove to the SOC 12, only to lose the ball on a fumble.

SCORE SETTLED WITH WOODROW, 14-12

A score to settle—that was the story when the Knights met Woodrow Wilson this year at Cobb Field. Revenge soothed the Kimball team when they triumphed over their Championship rivals. Kimball made a touchdown the first time they got the ball. The score capped a 62-yard drive, with Kennedy supplying the last 25 yards in an off-tackle sprint. For three quarters, the Knights dominated the statistics, but the Wildcats scored twice. With less than four minutes left, Kimball moved to the Wildcat 31. Here Duffey unleashed a pass into the waiting arms of Mike Gillett, who streaked across the goal line. Irvin and Paris were standouts on defense for the Knights.

KNIGHTS HOLD HILLCREST, 16-0

For the second straight year, the Panthers of Hillcrest felt the brunt of Knight offensive power. Although not as spectacular as the '61 victory, the score 16-0 is still impressive. Gillett was man-of-the-night with six punt returns for 145 yards. The longest return was for 61 yards and a touchdown. Kimball scored first, thanks to Panther punting trouble. A bad snap from center found its way into the end zone where it was downed for 2 points. Then came Gillett's big play, making the score 9-0. To be on the safe side, the Duffey to Wilson to Ramsey combination added 6. With the Panthers bearing down on him as he received the pass, Wilson lateraled the ball to fullback Ramsey who had clear sailing for the touchdown. Duffey then added the second extra point of the night.

KIMBALL TRIPS BULLDOGS, 28-6

Knight defense finally brought Kimball out of its season slump in the game with North Dallas. Fortunately this slump lasted only three quarters. The Bulldogs entered the fourth quarter with the score 6-6. Four seconds later, they were 8 points behind; from then on, the game belonged to the Knights. Drewes, Ramsey, and McCall accounted for Knight tallies. First it was Ramsey on a 3-yard run. In the last period, Drewes carried over from the one after intercepting a pass. Again came Ramsey with a 49-yarder following a lateral from Wilson. The North Dallas secondary had closed in after Duffey's 5-yard pass to Wilson. As a parting gesture, McCall blitzed 80 yards for the final touchdown which set Kimball's win at 28 points.

KNIGHT UNDERDOGS DUMP CITY CHAMPS, 21-0

In the last game of the 1962 season, Kimball ran the "Third-in-State" Samuell Spartans off the field, perhaps showing who should be in the state play-offs. The Knights furnished a knock-out punch from the start. The first touchdown came six plays after Cas Irvin recovered a Spartan fumble on the Samuell 23. Halting three drives by Samuell, the Knights began a time-consuming march which took 19 plays to reach the goal line. In the second half, Kimball again halted the foe preceding another long drive. A short pass to Wilson climaxed the effort. Then Ramsey caught Wilson's throw and zoomed around left end and across the goal line. Defensive ends Anderson and Irvin sparked the outstanding work of the entire defensive squad.

FLOYD SMITH

1946-1962

In memory of Floyd, friends of his family have given ten small trophies and a magnificent large one to Kimball High School. Each year until 1973, the Outstanding Athlete will receive the special award, and his name inscribed on the large trophy. As the climax of the ten-year series, the overall trophy will be presented to Mr. and Mrs. Smith.

"May this be a lasting remembrance from those many hearts warmed by his presence."

Knights of the Court

Sixteen players joined Coach Dick Allen's cage squad for the 1962-63 basketball season. Sophomore and junior team members gained experience under the tutelage of Coach Allen and the encouragement of three seasoned players from last year; namely, Duffey, Horton, and Hill.

In pre-season games, Kimball entered the Dr. Pepper and the Garland Tournaments, winning second place in the latter event. The Knights had plenty of hustle, noting its greatest lack in the height department. Promise of championship performance rests on the good showing made by Jimmy Livingston, Mike Kerby, Larry Vail, and Steve Dunn. Although the season's record was 4-6, a study of scores shows the Knights' spirit and the narrow margins by which opponents won games.

Tennis 1963

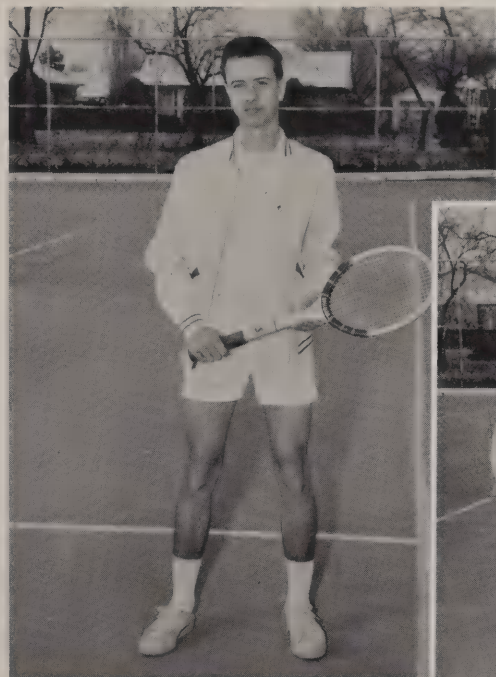

New faces on the courts helped to vitalize the Kimball tennis squad which entered city play late in January. Boys' Doubles reached the half-way mark with an unblemished record. Opposition slowed the boys for the remainder of the season. Twelve wins and eight losses were on the record for the entire team. Prospects at mid-season were good for a finish near the top. All but one of the 1963 team will be returning net men next year.

Knights of the Green

With two lettermen graduating in '62, the 1962 golf regulars filled the breach very satisfactorily. Veterans Mims, Thomas, and Rains, along with James Kern, brought the team through the season at the top. City Match competition began with a 6-0 defeat of Samuell. Players marched on, tying SOC and TJ, 3-3. Wins over Hillcrest and Tech, 6-0, and defeat of Woodrow Wilson, 5-1, were followed by victory over Adamson, 4½ to 1½. Yet to be played were the city finals, April 6 and the district, April 9.
